

# Verizon Partner Solutions – Promotion

## “Promotional Prices!” DDoS Shield for IDS on Internet Essentials

DDoS Shield for IDS is a value-added feature available with Verizon's Dedicated Internet Service that helps your customers reduce their risk of downtime and maintain the availability of resources by ensuring their network is protected from DDoS attacks.

Receive *promotional pricing* when adding the DDoS Shield for IDS feature to your Internet Essentials dedicated ports.

- DDoS Shield for IDS is available with Dedicated Internet Service provided via Verizon's Current Platform (formerly known as Verizon Rapid Delivery)
- See your account manager for details; no additional contract required
- Promotional period: February 1, 2025 through February 28, 2026
